Attractions of the Tangier-Tetouan-Al Hoceima Region

Key Sectors of the Region

Territorial Offer for Investment

INVEST AT THE HEART OF AN ENLIGHTENED ROYAL VISION

- ★ A productive & diversified economy that creates added value and quality jobs.
- ★ Strengthened human capital & better prepared for the future
- ★ Opportunities for all and a consolidated social link
- ★ Resilient territories, anchor points for development

صَاحِبُ الْإِسْلَامِ مُحَمَّدُ السَّادِسُ بِصَرِّهِ اللَّهُ

**Territorial Offer
for Investment**

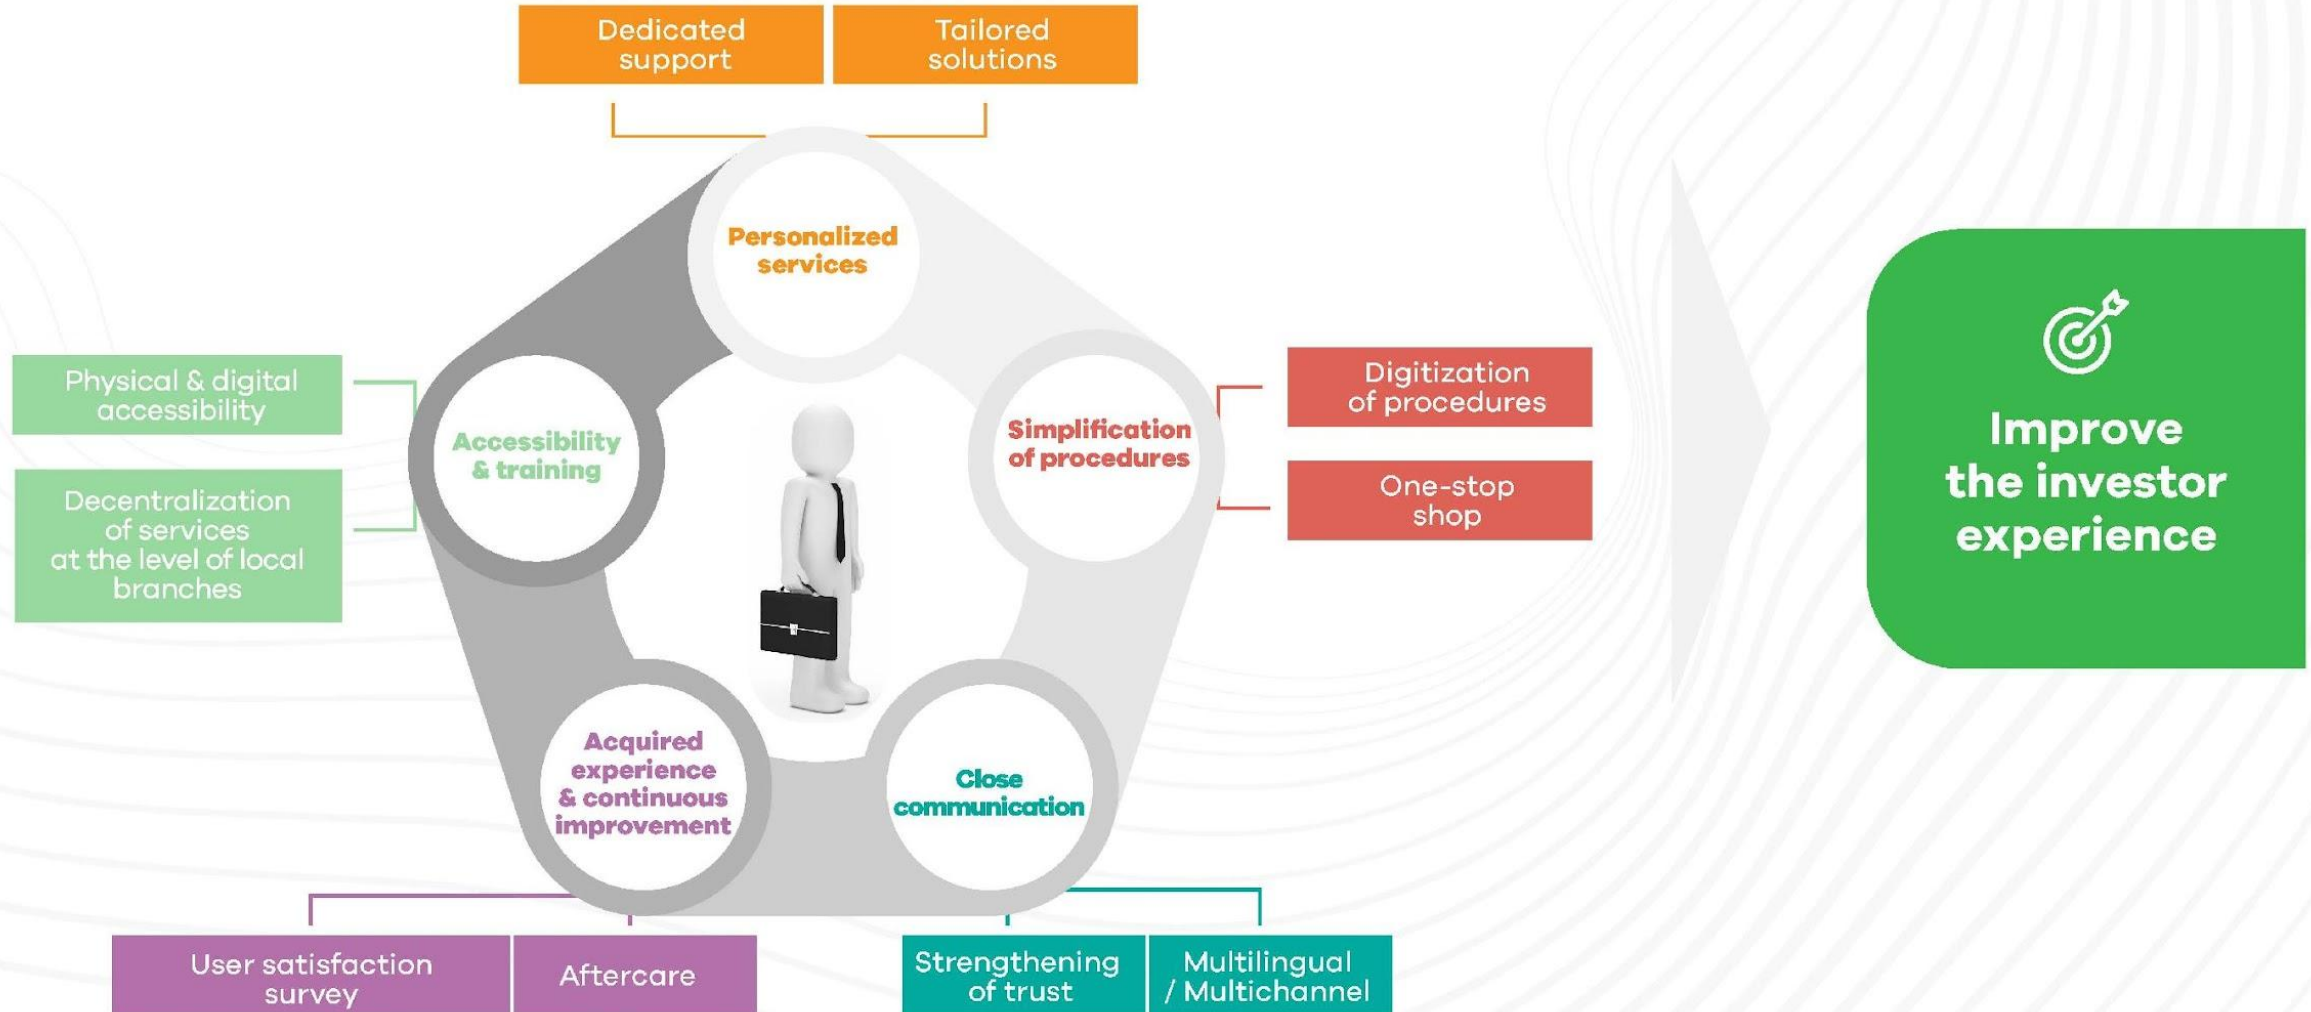

Lever of the region's economic development

An attractive territorial offer based on 4 essential pillars

Service offer

A customer-centered approach.

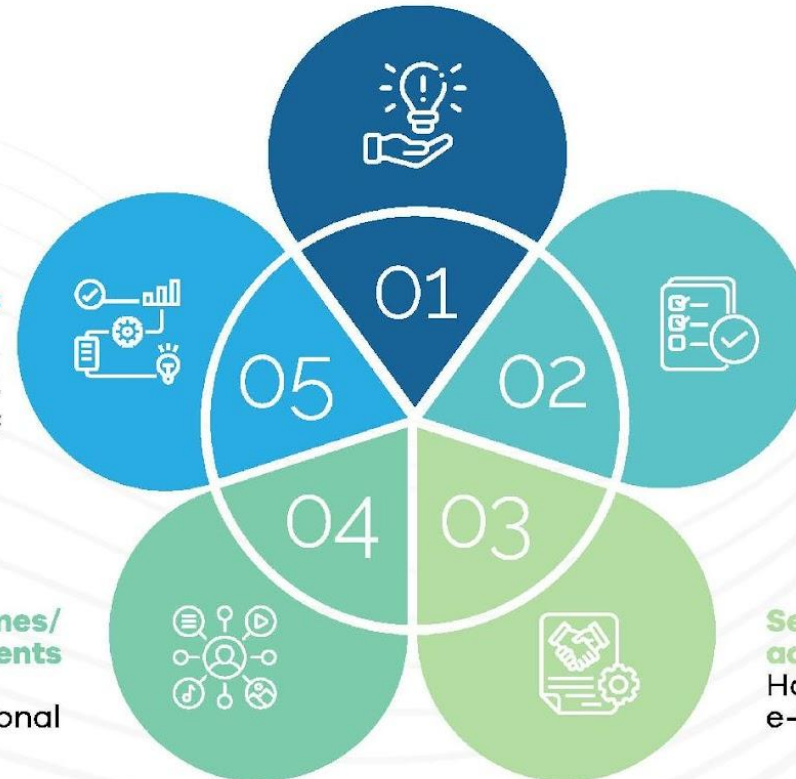

Service offer

Services designed around investors and for investors

Service offerings focused on 5 main pillars

SUPPORTING INVESTORS & ENSURING THE SUSTAINABILITY OF VSE/SME FROM START TO FINISH

Ensuring convergence of SME support programs, facilitating access to finance and human resources for SMEs, facilitating access to financing and human resources for enterprises/ SMEs

Promoting the region/ ensuring its economic development

Conducting studies and preparing an integrated and attractive territorial offer, in particular through the monitoring & the implementation of national sectoral strategies.

One-Stop Shop for the Issuance of Investment-Related Permits and Authorizations

integrated & end-to-end processing of investment files, from the company set up to the issuance of authorizations, deeds & licences with a maximum of 7 days of processing within the framework of the CRUI, through a digital platform www.cri-invest.ma

Availing to investors incentives programmes/ preparing & following up of agreements conducted with the state

Ensuring convergence of national & regional investment incentive programs

Settling disputes between investors/ administrations

Handling investor's complaints via the e-requête

Service offer

Services tailored to each stage of the project life cycle

Administrative authorizations

Economic Boost and Promotion

Planning and preparation of the territorial offer
Investor outreach
Monitoring and improvement of the business climate

Assistance with e-business creation

Access to land

- Installation authorization in Economic Activity Zones (ZAE)
- Allocation of land in Industrial Zones (ZI) and Economic Activity Zones (ZAE)
- Transfer/Lease of State Private Domain (DPE) land
- Temporary occupation of the Public Domain (DP)

Prior authorization

- Environmental acceptability
- Provisional technical tourism classification

Support from start to finish

Sustainability

- Market access
- Networking
- Export support

Conciliation

Amicable dispute resolution

Access to HR

- ANAPEC
- OFPPT
- Universities

Access to financing

- Financing programs
- Support with banks

Investment agreement conclusion

- Investment agreement with the State
- Annex to an agreement
- Agreement with the Regional Council – "NORDEV Fund"

Urban planning permits

- Building permit
- Urban development authorization

Operating permits

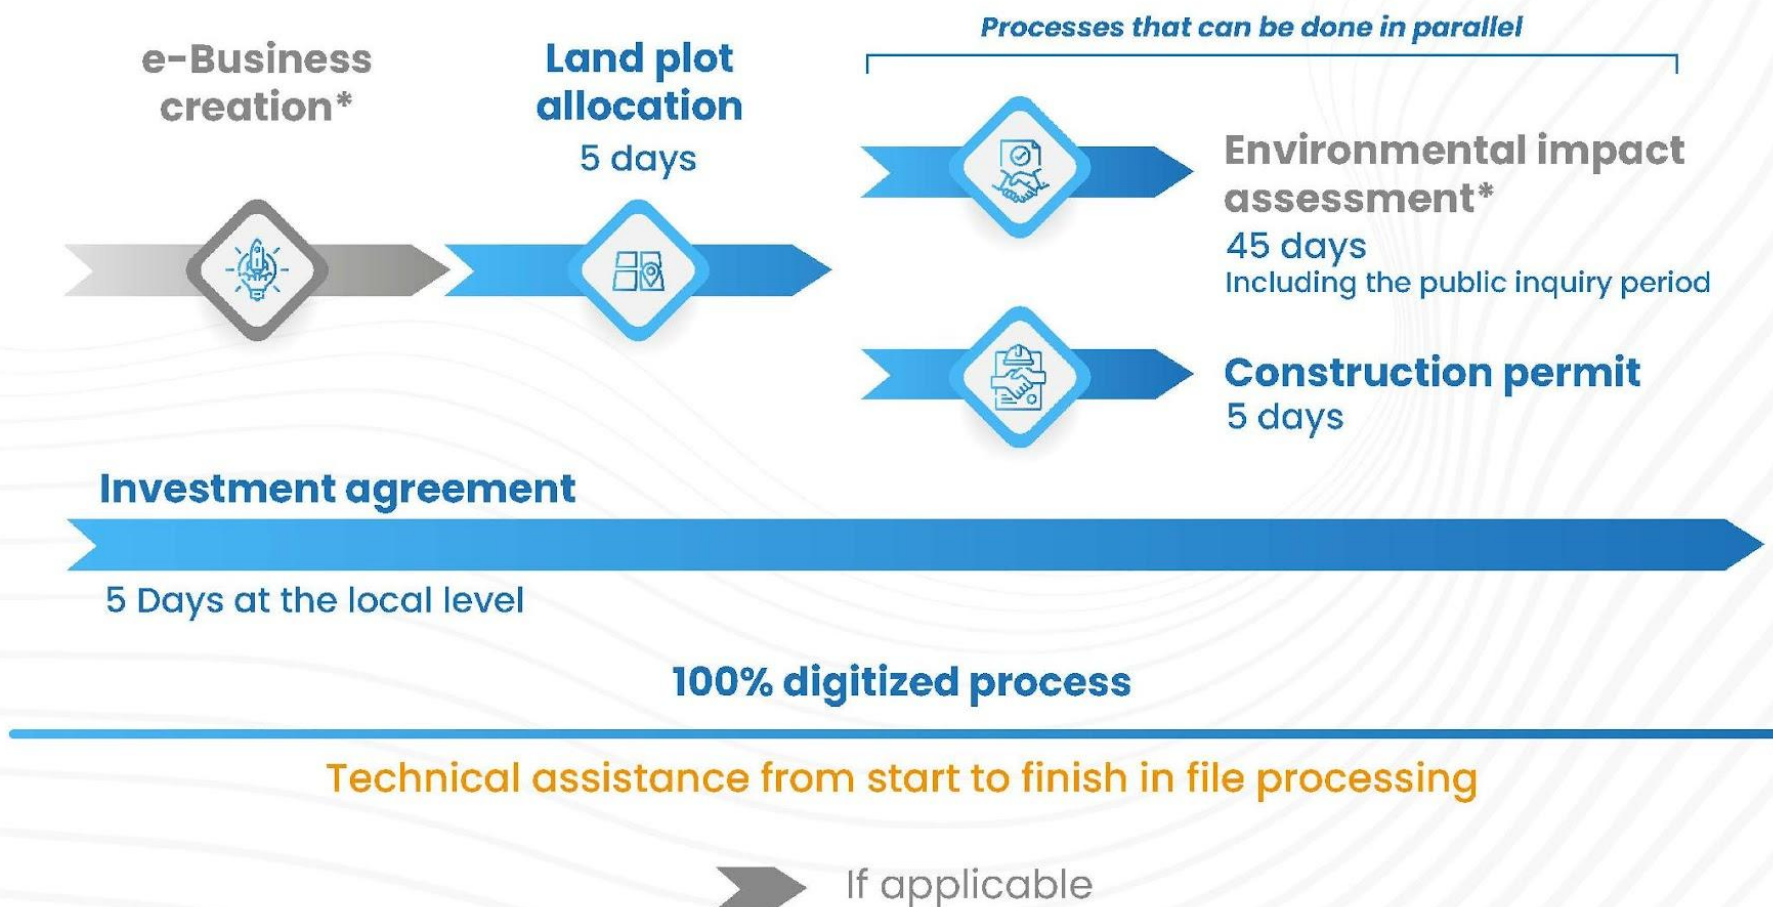

- Operating classification for a tourist establishment
- Occupancy permit
- Certificate of compliance

Fully digitized process

Service offer

A simple & smooth investment process throughout the entire project lifecycle

Industrial project process

Monograph

Attractions of the Tangier-Tetouan-Al Hoceima Region

Key Sectors of the Region

Territorial Offer for Investment

Potential (1/2)

Tangier-Tetouan-Al Hoceima: A National Competitiveness Hub with International Reach

Strategic Geographical Location

 Gateway to Africa, just **14 km** from Europe via the Strait of Gibraltar — the second busiest maritime passage in the world

A Thriving Economic Engine

-  **3rd** region contributing to the national GDP (**10.6%**)
-  **1st** destination for Foreign Direct Investment (FDI) in industry
-  **2nd** largest industrial hub nationwide
-  **1st** national car manufacturing

World-Class Infrastructure & Multimodal Connectivity

-  Port of Tangier Med: **#1** port in Africa and the Mediterranean
-  **3** international airports with a combined capacity of **3 million** passengers/year (currently being expanded to reach 6.9 million passengers/year by 2026)
-  Africa's first High-Speed Train (TGV): Connecting Tangier to Casablanca in 2h10min
-  Developed road network: **2,800 km** of roads, including **165 km** of highways and **321 km** of expressways
-  **23** competitive industrial platforms over more than **3,900 ha**, of which **2,500 ha** are dedicated to industrial acceleration zones and logistics free zones

Rich Tangible and Intangible Heritage

-  **2** maritime coastlines
-  **7** historic medinas
-  Exceptional archaeological heritage (Roman site of Cotta in Achakkar, El Mers necropolis, Kasbah of Ghaylan in Malabata, etc.)
-  Rich architectural heritage (Cervantes Theater, El Minzah Hotel, Villa Harris, Bullring, etc.)
-  Unique biosphere reserve with over **570,000** ha of natural forests
-  Diversified accommodation offering: over **36,000** classified beds
- Young, Skilled, and Educated Human Capital**
-  Over **70%** of the region's population is under 44 years old
-  **19** university institutions
-  **61** vocational training centers

Potential (2/2)

Tangier-Tetouan-Al Hoceima: A National Competitiveness Hub with Global Outlook

Diversified Economy and Mature Ecosystems

The regional GDP structure is primarily driven by the tertiary sector **(46,2%)**, followed by the secondary sector **(34,3%)**, and then primary activities **(9,3%)**.

Presence of high-performing economic sectors such as automotive, textile and apparel, agri-food, logistics, renewable energy, tourism, among others.

Mature ecosystems and advanced economic actors across the entire value chain (industrial players, support services, developers, support structures, etc.).

Attractive Incentive Framework

Investment Charter

NORDEV Regional Investment Support Fund

Favorable tax regime for Industrial Acceleration Zones (ZAI) and Free Zones:
Corporate tax exemption for the first 5 years, Reduced 20% tax rate for the following 20 years, Exemption from customs duties, Exemption from VAT

Pleasant Living Environment

Moderate climate

Diverse landscapes (sea, mountains, etc.)

Availability of support infrastructure and nearby facilities

Safe and clean public spaces

Varied cultural and tourist activities

Agro-food approach

Agro-industrial development potential driven by the Loukkos Agro-pole

A competitive hosting platform for the sector's development: **Loukkos Agro-pole**

7% of the regional industrial turnover

11% of industrial jobs at the regional level

Main sectors:

Valorization of agricultural and marine products

Transformation of aromatic and medicinal plants

Cold packaging

Packaging and logistics

150 ha Of area, of which **50 ha** as the first phase

480 billion MAD Total development cost

36 Installed projects

~1,5 billion MAD Projected investments

~4 000 Long-term jobs generated

They have chosen the region

LOGISTICS

Logistics (1/3)

Tanger Med, Accelerator of the national economy

1st Port in Africa & Mediterranean Sea

10 Millions of containers capacity

3rd in efficiency

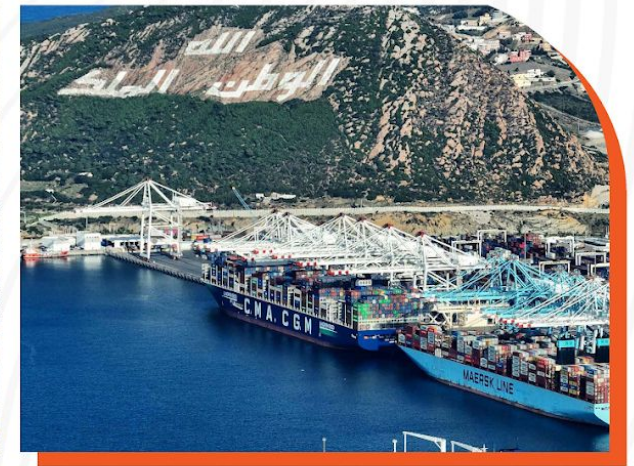

54% of the Kingdom's total port tonnage

19th port in connectivity worldwide

186 Connections with 77 countries

They have chosen the region

Logistics (2/3)

First national logistics platform

First competitive hosting platform with international standards for the development of logistics

250 ha of logistics free zone

- ✓ 9 of the 25 leading global 3PL (*) companies are based in **MEDHUB**
- ✓ **+ 100** installed companies
- ✓ Class A&B warehouses ranging from 10,000 to 40,000 m²
- ✓ Clear height from **8m to 11m**
- ✓ Unique space for clients & Business Stop
- ✓ Trade with **100** countries

Activities

- Co- packaging
- Warehousing
- Quality Control
- Labelling
- Assembling

(*) Third-Party Logistics: outsourcing of logistics activities

3 PL's / Operators

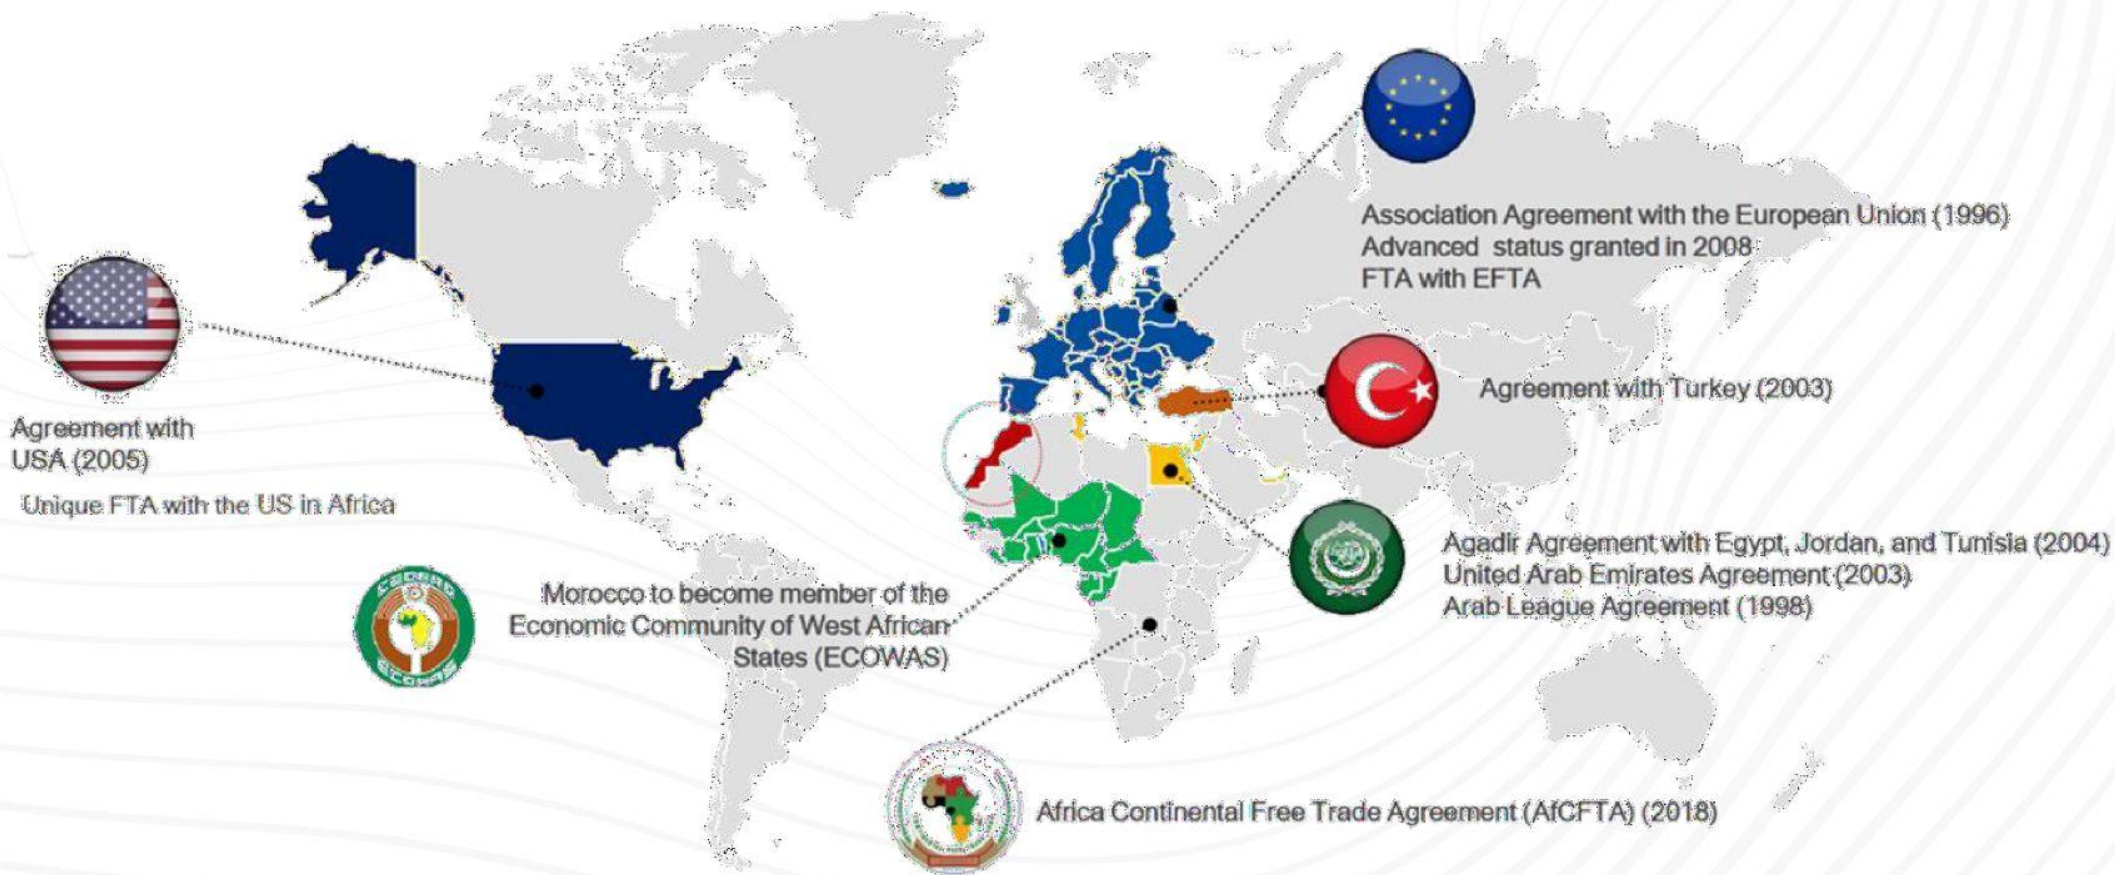

Clients

Logistics (3/3)

First national logistics platform

Accessible to 2,5 billion potentiel consumers 62 Free Trade Agreements FTA

TOURISM

Tourism (1/2)

Privileged destination, with a rich and diverse tourist offering

Tangible & intangible heritage

447 km of coastline
with 2 seafronts

7 medinas

5 marinas

6 golf fields

Tourism accommodation infrastructure

3rd region in terms of EHTC capacity

-360 classified tourism accommodation establishments ⁽¹⁾

~37,000 classified beds⁽¹⁾

~50% of EHTC capacity is in 3* and higher hotels⁽¹⁾

Performance

Over 1 million tourist arrivals (1)

2.6 million tourist
overnight stays (1)

53% occupancy rate

More than **18** EHTC
opened in 2024

They have chosen the region

AGRICULTURE & FISHERIES

Agriculture & fishing

Engine of the regional economy, in continuous development

- ✓ SAU: **730,000** ha (11% of the national agricultural area)
- ✓ **80%** of the national production of red fruits
- ✓ **900** million MAD in agricultural added value ⁽¹⁾
- ✓ **34** million workdays ⁽¹⁾

- ✓ 18 fishing ports & landing points
- ✓ 2,700 fishing fleet units
- ✓ 25,500 tons of coastal & artisanal fish catches in 2023
(2% of the national tonnage)
With a value of 722 million MAD
(7.5% of the national value) ⁽²⁾

- ✓ 2 identified areas: AMSA-KAA SRASS & TARGHA-AL HOCEIMA
- ✓ Total area: **795 ha**, of which **580 ha** are available
- ✓ **25** production units ⁽²⁾
