Moroccans of the World Investment Week for MDM: August 11-15, 2025

A 360° initiative comprising 3 major actions:

- Deployment of a large-scale communication campaign, including urban billboards on key routes in the region's main cities, and the setup of welcome desks at major points of entry for Moroccans Living Abroad (MRE), particularly airports.
- Organization of a regional information caravan, through seminars and meetings dedicated to MRE.
- Establishment of local welcome and guidance units, at the Tangier headquarters as well as at the branches in Tétouan and Al Hoceima.

Caravan Report:

- Approximately **58,000** views on social media
- **120** media mentions (press, TV, radio, and digital)
- **150** participants in seminars and thematic meetings
- **72** MRE welcomed at the CRI headquarters and branches
- **65** MRE assisted at airports
- **137** MRE assisted in total
- **8** MRE files submitted and supported

A successful campaign according to MDM feedback

"The CRI supported me, from the moment I arrived in Morocco, in setting up my business as well as in all the administrative procedures related to my project. I invite my fellow citizens abroad to come and invest in Morocco: the CRI team is available, attentive, multilingual, and truly facilitates every step of the way..."

Mohamed Bourkha, Société Nekour-Beach Club, Hotel - Al Hoceima

"Vegetaland warmly thanks the entire CRI team for their unwavering support during our setup in Tétouan and the creation of our cooperative. The Tétouan branch team demonstrates exemplary professionalism and constant hands-on support..."

Touria Bouzidi, Présidente de la Coopérative Vegetaland - Tétouan

"As the founder of a guesthouse project in Tétouan, I am leaving this meeting with a stronger vision, useful contacts, and great motivation to make this project a reality in my home region..."

Rajae El Bakkali, Maison d'hôte, Ancienne Médina - Tétouan
